Vice-President

This has been a successful year for the freshman class headed by the officers: Dee Bogert, president; Mary Donna Jones, secretary; Glen Terry, vice-president; and Bart Couch, treasurer. The first undertaking of the year was the whitewashing of the "I" on Red Hill. At the appointed time many of the freshmen, and in their old clothes, grabbed a bucket of whitewash and scrambled up the hill. Shortly the "I" was finished. The students also built the traditional bonfire for the pep rally; and despite the freshmen efforts it was burned once by the sophomores. The freshman formal was also another big success.
