we welcome you, our library users. While you are a first-year student in Idaho Falls, on our Chat or Ask a Librarian service desk, call (208) 282-3152, or use our Library catalog form (isu.edu/library/contact-us/ask/). Why use these academic resources? Because they are the most reliable, well-researched, and high-quality sources. The academic resources we offer are important for several reasons:

- They contain high-quality educational materials.
- They are peer-reviewed and rigorously evaluated.
- They are designed to help you succeed in your studies.
- They are accessible 24/7, even on the weekends.
- They are provided at no cost to you.

We are working this summer to improve our website, so you can find the information you need more easily. In the meantime, if you have any questions, please contact us. You can do this by visiting our library website, or by calling (208) 282-4073. We look forward to seeing you soon.
