MINIATURE GOLF IN THE OBOLER LIBRARY
Saturday, February 8, 2014 -- 10AM to 3PM
Hosted by Friends of Oboler Library in partnership with ISU Libraries

SUPPORT ISU LIBRARIES by making a donation

- Your donation will help purchase new furnishings for the student study areas in the Library.
- Your gift directly supports students from our area; 56% of the students at ISU are from Bannock, Bingham, and Bonneville counties.
- All residents of Idaho have access to ISU Library’s resources and will benefit from your contribution. Eli M. Oboler Library is the primary publicly funded library in Eastern Idaho.
- Information about your business will be posted in the Library until the end of May.
- These donations are tax deductible.
- Playing through the library gives players the opportunity to learn where library resources are located and increases their knowledge of what resources are available.

Our goal is to raise $5,000.
You can also support us by donating items for prizes and refreshments.

Rewards for donating

All donors will have their name or logo on the Miniature Golf webpage. Business donors may link their logo on our webpage to their business website until 1 month before next year’s event. All donors will be posted on the “hall of honor” at the Library until the end of May.
