

### The Freshmen

In after years when we are old,  
And everything seems dull and cold,  
We'll think of those bright days gone by  
While we were Freshies at the A. of L.  
It seems as tho we'll never get thru,  
We have so much hard work to do; |  
Algebra, German, English and History,  
If we pass those exams,—it will be a  
mystery.  
Altho we are "picked on" by the whole  
school,  
Seniors, Juniors, and Sophomores, which  
means wise fools;  
We'll succeed and graduate in the year  
'16  
'Beneath the colors of Gold and Green.  
—MABEL MILLER.
