

## FEDERAL BOARD STUDENTS

The Idaho Technical Institute was selected last spring as a training school for the Rehabilitation men under the provisions of the act for retiring disabled service men. Professor Norman B. Adkison was made Counselor and Ralph H. Walter, Assistant Counselor.

The chief courses for the men are Agriculture, Commerce, Auto Mechanics, Electricity, Carpentry, Draughting and Engineering. The men have made marked improvement and the Federal Board officials have complimented the institution very highly on its fine type of work for these deserving men.
