Mrs. G. J. H. Gravely	
Erwin E. Rockwell	
Elizabeth Russum.....	Superintendent of Public Instruction

A chief of the Bannocks, typical of the solemn and dignified redmen who roamed this land before the advent of the white man.

Our gratitude is due those brave settlers who crossed the plains in covered wagons and carved an empire from a wilderness covered with scattered sagebrush and peopled by roaming savages.

Lorena Bixby, M. A.

Professor of English and
Head of Department,
A. B. University of Ne-
braska; M. A. Colum-
bia University; Ad-
vanced Study Univer-
sity of Illinois.

nomics and Head of De-
partment.

Diploma International
College, Los Angeles;
Advanced study High-
land Park College, Des
Moines; Student Bos-
ton Cooking School;
Student Boston Con-
servatory.

Rocks, rich in minerals, soil, rich in quality, and a wealth of scenic grandeur put Idaho in the foreground of the nation's homelands.
