# Officers

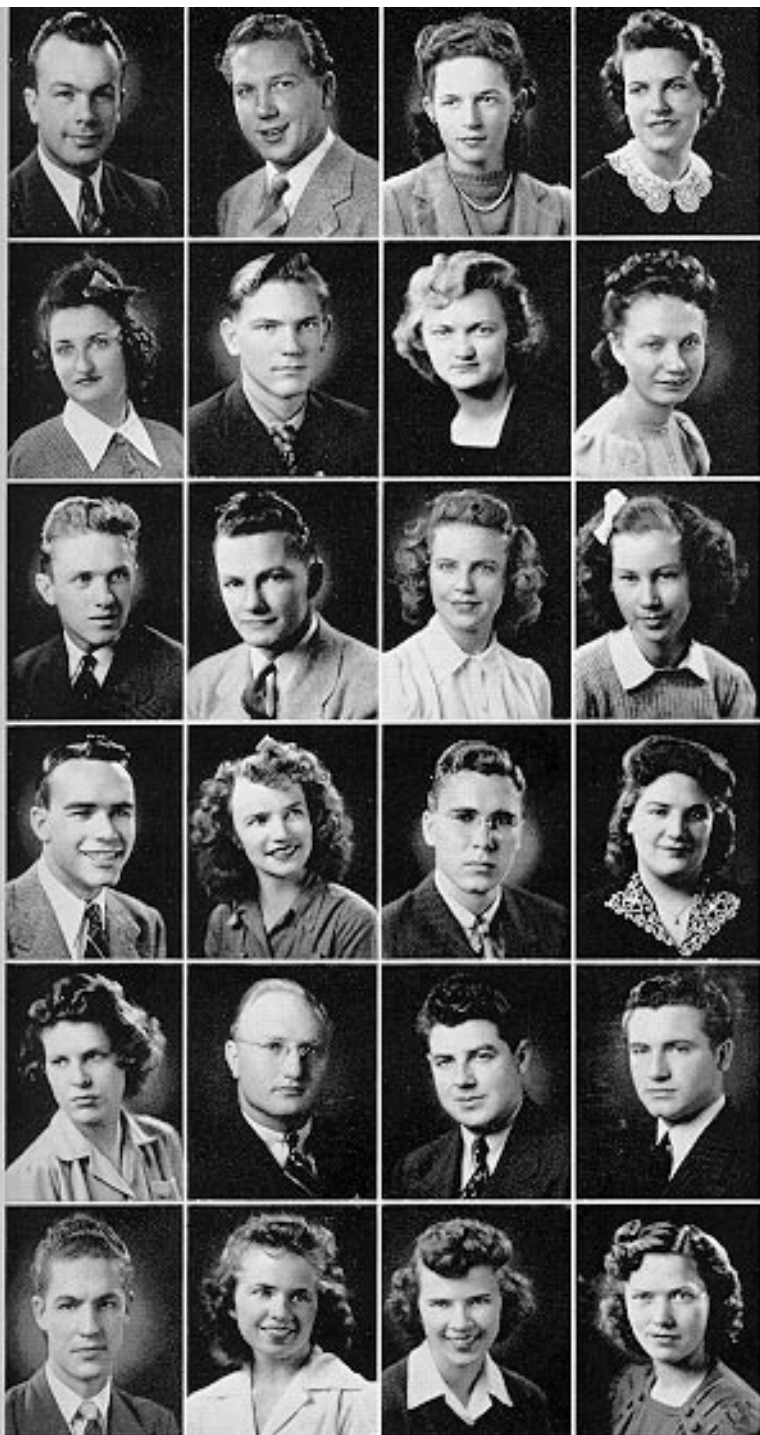

Cecil Olsen, Albert Fridenstine, Berne Jensen, Ruth Wilson, Bill Powell, Billie McNabb, Bigler Clark, Amos Jordan.

Bill Powell, president; Berne Jensen, vice-president; Cecil Olsen, treasurer; Billie McNabb, secretary.

Fulfilling their traditional position as the backbone of UIS is the honorable Sophomore class. Bill Powell, the dynamic red-haired president, is a well-liked student. Indeed all the officers of the class are really outstanding. Berne Jensen, as vice-president, Billie McNabb as secretary, and Cecil Olson as treasurer make a lively quartet. The class sponsored a buffet supper and dance March 13. The annual event is outstanding in the activities of the sophomores. An all-student assembly was another feature produced by them.
