Senior class officers, *left to right, front row,* Pilar Ysursa, secretary; *back row,* Ronald Stephenson, vice president; Elaine Kenney, treasurer; Jay Bailey, president.

Senior Class

In the few days before taking their place in life, seniors could be seen scurrying about taking advantage of the last opportunities afforded them by ISU. Their hours of classes, social functions, and individual activities have given them only a glimpse of their world of opportunity.

The time spent here has given a broad understanding of life to those who have accepted the challenge. No matter what part of the world may become their home, these experiences and joys will be cherished memories.
