

Sports Story

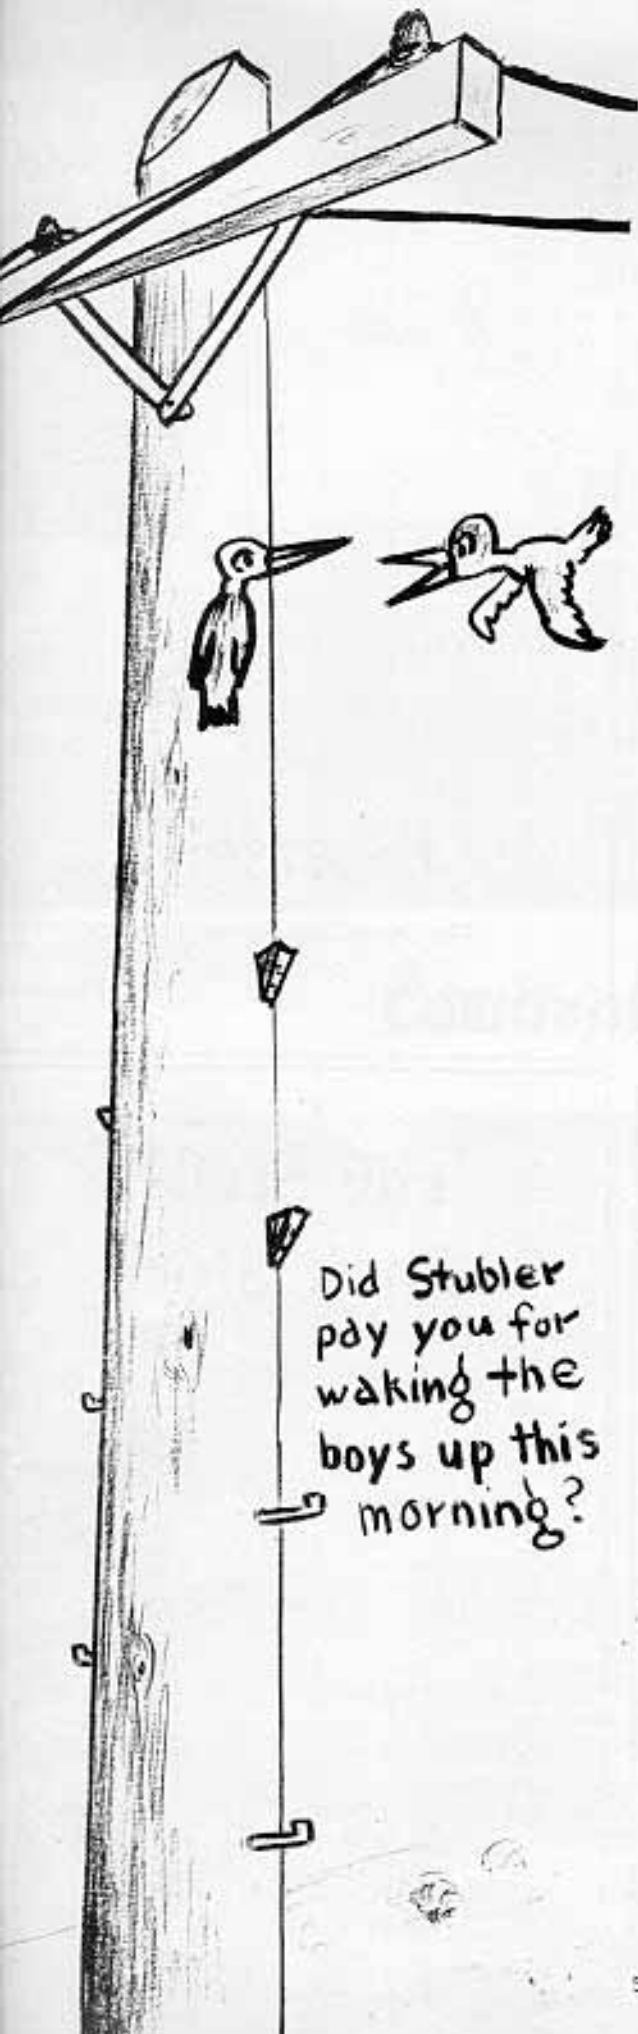

The University Baseball Squad has played seven games to date and has won all seven. O'Brien, as well as being an ace pitcher, is the batting of his team for some time.

Besides baseball, many intramural sports are held on campus. Among these intramural sports, softball and cross country running have been the most important. Company Two of the V-12 Unit won both the softball tournament and the cross country run. Zeller was the fastest man running the two-mile cross country in less than eleven minutes.

Carnival Dance

Miss Ellany, who did this section of the Dittybag get into some of the most peculiar places to get some pictures shown here. We hope no one takes them seriously because they are only meant to show the "behind the scenes" of life on the campus.
