Objectives

• Part I: Scholarly and non-scholarly journals
• Part II: Conduct a literature search and find articles about psych-mental health nursing
Part I: Scholarly and Non-Scholarly Journals

• What is a peer-reviewed journal?
• Access to the A-to-Z Journal List
• How do you know if an article was published in a peer-reviewed journal?
• Submit an Interlibrary Loan request
Scholarly and Non-Scholarly Journals

- **Scholarly**
  - **Length**
    - Long and in-depth analysis of topics
  - **Language/Audience**
    - Full of technical jargon
    - Written for researchers, professors or students in the academic field
  - **Format/Structure**
    - Follows some specific structure: abstract, introduction, methodology, results, discussion, conclusion, references, etc.

- **Non-scholarly**
  - **Length**
    - Fairly short
  - **Language/Audience**
    - Written in non-technical language for non-expert readers
  - **Format/Structure**
    - Does not follow a specific format
Scholarly and Non-Scholarly Journals

- **Scholarly**
  - **Authors**
    - Expert in a particular field: a scholar or researcher with noted credentials
  - **Editors**
    - Articles are reviewed by members of an editorial board who are experts in the field
  - **References**
    - Sources are cited with bibliographies documenting the research thoroughly
  - **Advertising**
    - Limited ads, special services or products in a specific field

- **Non-scholarly**
  - **Authors**
    - Reporter or any writer. Name and credentials are not indicated.
  - **Editors**
    - Not reviewed by experts, but by magazine staff members
  - **References**
    - Not provided
  - **Advertising**
    - Many general consumer ads

Scholarly and Non-scholarly Journals

• How do you know if an article was published in a peer-reviewed journal?
American Journal of Nursing

ISSN: 0002-936X
Title: American Journal of Nursing
Publishing Body: Lippincott Williams & Wilkins
Country: United States
Status: Active
Start Year: 1900
Frequency: Monthly
Volume Ends: Dec
Document Type: Magazine/Trade
Refereed: Yes
Abstracted/Indexed: Yes
Media: PRINT
Alternate Edition ISSN: 1530-7489
RSS Availability: Click here to view

Transferring data from www.ulrichsweb.com...
Interlibrary Loan Request

• What would you do if the Library does not own an article you need?
• Submit an Interlibrary Loan request
To submit your interlibrary loan request, click on the Request button.
Search the Journal Titles

1. Advances in Nursing Science
2. American Psychiatric Nurses Association Journal
3. Archives of psychiatric nursing
4. International Journal of Mental Health Nursing
5. Journal of Psychiatric and Mental Health Nursing
Answer Questions

• Are they all peer-reviewed journals?
• Does our Library own those titles?
• If the Library does not own a journal you need, what would you do if you want to get a copy of an article?
Part II: Literature Searching

• Choose a topic that interests you
• Clearly define your topic
• List appropriate search concepts or terms
• Use keyword search or advanced search
• Determine which databases to search
• Review search results
• Repeat as necessary
Part II: Literature Searching

Topic
Find articles about nursing care to patients with Alzheimer’s disease
Part II: Literature Searching

- **Determine** the concept(s)

Concept A: Alzheimer’s disease

Concept B: nursing care
Boolean Operators

Boolean Operator: AND

Alzheimer’s disease AND nursing care
Boolean Operators

• **Boolean Operator**: OR

Alzheimer’s disease **OR** AD

Contains any of two terms
Boolean Operators

Boolean Operator: NOT

Eliminate the records you don’t want

elderly NOT child
Other Search Strategies

• **Truncation**
  – Symbols used when searching for suffix variations

  For example: therap* retrieves therapy, therapies, therapist and therapists
Other Search Strategies

• **Quotation marks**
  – Search an exact phrase “intervention program”

• **Search strings**
  – (Alzheimer’s disease or AD) and (nursing care or nursing intervention)
Database Searching

• Databases
  – CINAHL with Full Text
  – PsycINFO
  – Psychology and Behavioral Sciences Collection
  – PubMed
CINAHL with Full Text

- **CINAHL (Cumulative Index of Nursing and Allied Health Literature) with Full Text** covers nursing & allied health journals.
- **CINAHL with Full Text** provides full text for more than 600 journals back to 1981.
PsycINFO

- *PsycINFO* contains about 2.5 million citations and summaries of scholarly journal articles, book chapters, and dissertations.
- The journal coverage spans from 1887 to present.
Psychology and Behavioral Sciences Collection

• *Psychology & Behavioral Sciences Collection* covers articles about emotional and behavioral characteristics, psychiatry & psychology, mental processes, etc.

• It includes about 600 journals.
Click on the **Idaho Health Sciences Library** link.
Business Source Complete

Business Source Complete is the world's definitive scholarly business database, providing the leading collection of bibliographic and full text content. As part of the comprehensive coverage offered by this database, indexing and abstracts for the most important scholarly business journals back as far as 1886 are included. In addition to the searchable cited references provided for more than 1,200 journals.

CINAHL with Full Text

CINAHL with Full Text is the world's most comprehensive source of full text for nursing & allied health journals, providing full text for more than 560 journals indexed in CINAHL. This authoritative file contains full text for many of the most used journals in the CINAHL index - with no embargo. Full-text coverage dates back to 1981.

Communication & Mass Media Complete

Communication & Mass Media Complete provides the most robust, quality research solution in areas related to communication and mass media. CMIC incorporates the content of CommSearch (formerly produced by the National Communication Association) and Mass Media Articles Index (formerly produced by Penn State) along with numerous other journals in communication, mass media, and other closely-related fields of study to create a research and reference resource of unprecedented scope and depth encompassing the breadth of the communication discipline. CMIC offers cover-to-cover ("core") indexing and abstracts for more than 440 journals, and selected ("priority") coverage of nearly 200 more, for a combined coverage of more than 640 titles. Furthermore, this database includes full text for 326 journals.

Computer Source

Computer Source provides researchers with the latest information and current trends in high technology. This database offers full text for nearly 300 publications and indexing and abstracts for nearly 450 publications.

Computers & Applied Sciences Complete

Computers & Applied Sciences Complete covers the research and development spectrum of the computing and applied sciences disciplines. CASC provides indexing and abstracts for more than 1,720 academic journals, professional publications, and other reference sources from a diverse collection. Full text is also available for more than 670 periodicals.

Corporate ResourceNet

Corporate ResourceNet is designed to meet the diverse information needs of today's companies. This database contains full text articles from nearly 1,200 quality magazines and journals.
<table>
<thead>
<tr>
<th>Database Name</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Primary Search</strong></td>
<td>Provides full text for more than 70 popular, magazines for elementary school research. All full text articles included in the database are assigned a reading level indicator (Lexile), and full text information dates as far back as 1990.</td>
</tr>
<tr>
<td><strong>Professional Development Collection</strong></td>
<td>Designed for professional educators, this database provides a highly specialized collection of nearly 520 high quality education journals, including more than 350 peer-reviewed titles. This database also contains more than 200 educational reports. <em>Professional Development Collection</em> is the most comprehensive collection of full text education journals in the world.</td>
</tr>
<tr>
<td><strong>Psychology and Behavioral Sciences Collection</strong></td>
<td><em>Psychology &amp; Behavioral Sciences collection</em> is a comprehensive database covering information concerning topics in emotional and behavioral characteristics, psychiatry &amp; psychology, mental processes, anthropology, and observational &amp; experimental methods.
