For a definition of the various request types and what they are used for, click here.

When an ISU Oboler Library item is already checked out, you can place a Hold or a Recall on it.

The remaining request types are for Interlibrary Loan (Copy of a Book Chapter, Copy of an Article, and Borrow a Book from another library) or Distance Library Services (Send me this Oboler Library Book). In most cases there will be a fee for these services.

Interlibrary Loan (ILL) is a process in which you obtain materials that are not in the Eli M. Oboler Library. Information about Interlibrary Loan  ILL fee information

Distance Library Services (DLS) provides a way for students, faculty and staff who do not take classes on the Pocatello campus to obtain materials that are in the Oboler Library collection. DLS information DLS fee information

Important: Delivery of journal articles and book chapters is now via the Web.

Request only 1 item per form.
Choose the type of request you wish to make from the drop-down list and then click OK.
