

# ISU Articles in PubMed

To locate **ISU articles** in PubMed, you must . . .

- Click on *PubMed (ISU Only)* links found on Idaho Health Sciences Library or ISU Library Web pages
- OR**
- Bookmark [http://oboler.isu.edu:2048/login?url=http://www.ncbi.nlm.nih.gov/sites/entrez/query.fcgi?myncbishare=ihs1&holding=obolerlib\\_ffft\\_ndi&dr=citation](http://oboler.isu.edu:2048/login?url=http://www.ncbi.nlm.nih.gov/sites/entrez/query.fcgi?myncbishare=ihs1&holding=obolerlib_ffft_ndi&dr=citation)

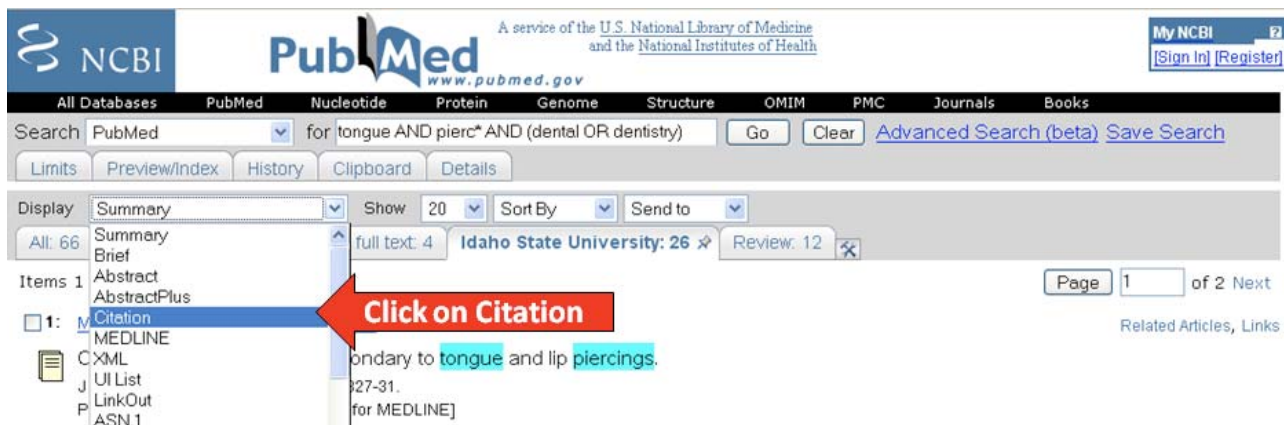

1. Search your topic, and PubMed will display a list of articles.
2. Click on “Free full text” or “Idaho State University” tabs to view information about articles available to ISU students, faculty, and staff.

The screenshot shows the PubMed search interface. The search query is "tongue AND pierc\* AND (dental OR dentistry)". The results are displayed in a table with columns for "All: 66", "English & Humans: 5", "Free full text: 4", "Idaho State University: 26", and "Review: 12". A red circle highlights the "Free full text" and "Idaho State University" columns. The first result is "De Moor R, De Witte A, Delmé K, De Bruyne M, Hommez G. [Dental and buccal complications of lip and tongue piercing] Rev Belge Med Dent. 2007;62(2):104-12. Review. French."

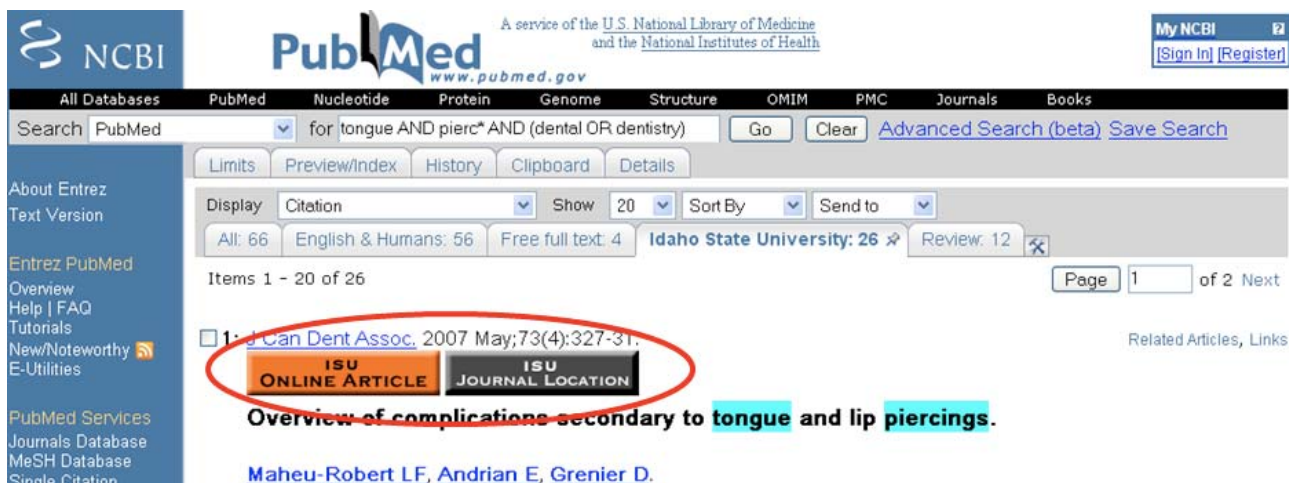

3. To view information about one article, click on the article title.

The screenshot shows the PubMed search interface. The search query is "diet therapy" AND "rheumatoid arthritis". The results are displayed in a table with columns for "All: 253", "English & Humans: 193", "Free full text: 42", "Idaho State University: 93", and "Review: 79". A red arrow points to the article title "Dietary omega-3 fats for treatment of inflammatory joint disease: efficacy and utility" in the first result. The article title is highlighted in a red box. The first result is "Proudman SM, Cleland LG, James MJ. Rheum Dis Clin North Am. 2008 May;34(2):469-79. PMID: 18638687 [PubMed - indexed for MEDLINE]".

- To view information about several articles, choose **Citation** in the Display pull-down menu.

- When an article is available from the ISU Library, you will see orange and/or black icons above the article title. (NOTE: Internet browser software must be set to accept cookies to view icons.)

Click on this orange button to locate online full-text article.

If the link to the article is not working (publishers maintain these links NOT the Library) or you are asked to type in a password, search for the journal on the A-to-Z Journal List at <http://atoz.ebsco.com/home.asp?ld=isun>

**NOT ALL ONLINE ARTICLES MAY BE LINKED IN PUBMED** – check A-to-Z Journal List at <http://atoz.ebsco.com/home.asp?ld=isun> for more information or before ordering articles.

This black button alerts you that the Library owns a print copy of this journal. Check the Library catalog at <http://opac.isu.edu> for location and call number of print journal.
